# WHY GIVE TO HANDS OF HOPE RESOURCE CENTER?

Hands of Hope Resource Center advocates, educates, and promotes societal change for those affected by violence and abuse. We provide advocacy services to victims of domestic violence, sexual assault, child abuse and general crime and their loved ones in Morrison and Todd counties.

Between October 1, 2014 and September 30, 2015,  
we helped 1,061 clients and 526 of their loved ones change their lives for  
the better.

Examples of how your contribution may be used to help victims of crime include safe housing for victims and their children, lock changes for safety, emergency financial assistance, and other crisis services provided by advocates.
