

Fall 2018

October is Domestic Violence Awareness Month

Not only does October bring a change of seasons, it also is a time for bringing awareness to the epidemic of domestic violence. During the month of October we will be busy with outreach to our community. Watch for news articles, public service announcements, displays, and the color **PURPLE** reminding us to work towards ending domestic violence. Follow us on Facebook for information, inspiration, and education about this topic by clicking [HERE](#).

This year, we have a new campaign entitled *Change for Change*. Throughout Little Falls, you will see donation boxes at area businesses for you to drop your extra coins or bills into. Every cent will help us make a change towards breaking the cycle of domestic violence.

You are invited to attend the Todd County Commissioners Meeting on October 2nd at 9 am and/or the Morrison County Commissioners Meeting on October 9th at 9 am to observe the signing of proclamations to end domestic violence.

Your participation in bringing awareness to domestic violence is easy! Just wear **PURPLE!** Why **PURPLE?** The women's suffrage movement utilized purple, white and gold in the early 1900s as those were the colors of the National Women's Party and symbolized purity, hope and loyalty.

Together we can make a change to end domestic violence!
